The Honorable Marc Berry, Mayor
City of Mosier
P.O. Box 456
Mosier, OR 97040

Ms. Kathy Fitzpatrick, Chair
Main Street Mosier
P.O. Box 144
Mosier, OR 97040

Dear Mayor Berry and Chair Fitzpatrick:

Your letter dated November 6, 2008 has crossed my desk and I have reviewed your plans for creating a bike and pedestrian path and bridge in Mosier. By this letter, I am designating your efforts as an Oregon Solutions project, and am asking that Mayor Berry serve as the convener.

I am pleased with the approach you are taking to improve safety for visiting cyclists and for your citizens in this important scenic area of our state. The collaborative framework and neutral forum offered through Oregon Solutions should prove valuable in bringing together the people and resources to allow you to implement a successful project.

Thank you both for your commitment to livability and public service. I wish you every success in carrying out this project and look forward to watching the improvements take place in Mosier's downtown.

Sincerely,

A handwritten signature in black ink that reads "Theodore R. Kulongoski".
